6 shall receive for his or her services such compensation as the Governor shall
7 determine.

8 (2) The executive director may employ sufficient staff to carry out the functions of the

14 as established by this chapter, and shall perform all budgeting, procurement, and

16 shall prescribe the duties of the executive director in addition to those duties
17 otherwise delegated to him or her by the Governor or secretary, or prescribed for the

2 this chapter, and in any reasonable manner that may be necessary for the state to
3 qualify for, and to receive grants or aid from such agencies. To these ends and
4 subject to the direction of the board, the executive director shall have the power to
5 comply with each condition and execute such agreements as may be necessary,
6 convenient, or desirable.

7 (6) Nothing in this chapter shall preclude any other agency, board, or officer of the state
8 from being designated as the directing or allocating agency, board, or officer for the
9 distribution of federal grants and aid, or the performance of other duties to the
10 extent necessary to qualify for and to receive grants and aid for programs under the
11 administration of the office.

12 (7) The executive director is authorized to receive, for and on behalf of the state, the
13 office, and the board of housing, buildings and construction, from the United States
